

Externship Program for Medical Laboratory Science Students

Linking Classroom Learning to the Career of Medical Laboratory Science

The application period for the Summer of 2025 is open from January 1st, 2025, through March 8th, 2025.

This program is competitive; students must apply and be selected to participate. Those majoring in Medical/Clinical Laboratory Science are preferred. However, students in a laboratory-related field may also apply.

Work Schedule

Your schedule will be decided in conjunction with the manager of your assigned laboratory division. **You are expected to commit to an approximate 11-week assignment.** Assignments are typically 40 hrs/wk. Occasionally, there are other assignment options available that are not 40 hrs/wk.

Areas of opportunity include:

- Anatomic Pathology
- Blood Bank
- Central Processing (Core Lab – chemistry, hematology, urinalysis)
- Clinical Microbiology
- Donor Center

Email application to: MLSprogram@wellspan.org

This application can be filled in electronically (preferred) or handwritten.

To fill out the application electronically, one way is to download the PDF and fill it in using a PDF editor (such as free version of Adobe). In the free version of Adobe Acrobat, there is a “Fill & Sign” tool that allows you to type into the form.

To submit this application electronically, email it to MLSprogram@wellspan.org

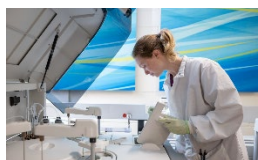

If for some reason you need to mail your application, please mail it to the address below and email MLSprogram@wellspan.org to let us know that your application is coming via mail.

Mailing address:

Christina Scott – Director
WellSpan Medical Lab Science Program
601 Memory Lane
York, PA 17402

Your application must be received by March 8th, 2025.

If you have any questions, please contact the WellSpan Medical Lab Science Program at the email above. We look forward to receiving your application!
